View Balance	View company's account balance.

# **USER ROLES**

New	New users have purchasing permissions upon account registration. Once their
	account is reviewed by their company's admin, their status changes to user.
User	Users have assorted permission levels depending on their needs. Their
	permissions are set up by their company's admin(s).
Admin	The first person to register with a company is the admin. Admin get an email
	every time a user from their company registers on
	InterstateElectricSupply.com. If there is more than one admin, they will both
	get an email notification. In Manage Users, the admin(s) can see a list of
	every user tied to their company and click on the "Edit" icon to customize
	user permissions, add another admin, or delete a user.

\*\*\*If your company needs to be set up with the Manage Users feature or you need to change your company's admin, please contact <a href="mailto:OnlineSupport@InterstateElectricSupply.com">OnlineSupport@InterstateElectricSupply.com</a>.\*\*\*
